Product Overview

Excel Office Category 6 Low Profile RJ45 module have been designed to fit with the Excel Office Range of mounting hardware, which brings style and enhanced aesthetics to any Excel installation, thanks to the its curved plate finish and built in labeling fields.

Excel Category 6 Low Profile RJ45 modules comply with the standards for Category 6. Each shuttered module is supplied with a slide label field and space above, this is allowed for use of self adhesive or further labelling if required. Termination can be made using LSA compatible tooling. The low profile design makes this module ideal for installations in shallow dado trunking.
